Provisional calendar of conferences and meetings in the economic, social and related fields for 2018 and 2019

Note by the Secretariat

Summary

In the present note, the Economic and Social Council is invited to review the provisional calendar of conferences and meetings for 2018 and 2019 in the economic, social and related fields and approve the meetings of its subsidiary bodies. Information on meetings of related bodies and conferences and meetings of governing bodies of specialized agencies and the International Atomic Energy Agency is also provided. The attention of the Council is drawn to the relevant provisions of General Assembly resolutions 45/264, 46/235, 50/227 and 61/16 on the restructuring and revitalization of the United Nations in the economic, social and related fields, and to Assembly resolution 68/1 on the review of the implementation of Assembly resolution 61/16 on the strengthening of the Council, which have been taken into account in the preparation of the calendar.

The Council is invited to consider further the biennialization of the sessions of its subsidiary bodies, in accordance with paragraph 2 (f) (ii) of its resolution 1988/77 and General Assembly resolution 50/206 A.

Attention is drawn to Council decision 1988/103, in which the Council decided to invite the Committee on Conferences to review the provisional biennial calendar of conferences and meetings of the Council in the economic, social and related fields and submit, as appropriate, its recommendations thereon to the Council.

1. The provisional calendar of conferences and meetings in the economic, social and related fields for 2018 and 2019, contained in the annex to the present document, has been prepared in accordance with the relevant General Assembly resolutions, in particular resolutions 37/14 C, 39/68 B and D, 40/243, 41/177, 41/213, 42/207 B, 45/264, 46/235, 50/227, 59/145, 61/16 and 68/1 and the relevant decisions and resolutions of the Economic and Social Council. Attention is drawn to the following decisions of the Council and the Assembly:

(a) That on 13 December 2013, in accordance with General Assembly resolution 68/1, the Council adjusted its programme of work to a July-to-July cycle and adopted transitional arrangements for the election of its Bureau, taking into account the relevant rules, regulations and practices with regard to the work of the Council, its subsidiary bodies and United Nations funds and programmes;

(b) That the Council, as a Charter body, is entitled to convene meetings as and when needed, with full substantive support and conference services (Assembly resolution 61/16, para. 19);

(c) That all meetings of subsidiary and associated organs should conform to the Council's schedule of meetings and not vice versa (decision adopted at the Council's 1837th meeting, on 28 July 1972, at the fifty-third session);

(d) That the Secretary-General should ensure that meetings of the subsidiary bodies of the Council end at least eight weeks before the session of the Council at which their reports are to be considered (Council resolutions 1982/50, para. 1 (l), and 1988/77, para. 2 (f) (i));

(e) That the subsidiary bodies of the Council, with the exception of the regional commissions, may not create either standing or ad hoc intersessional subsidiary bodies without prior approval of the Council (rule 24, para. 2, of the rules of procedure of the Council);

(f) That the regular sessions of the Economic and Social Commission for Asia and the Pacific, the Economic Commission for Latin America and the Caribbean, the Economic Commission for Africa and the Economic and Social Commission for Western Asia and meetings of their subsidiary bodies may be held away from their headquarters when the commission concerned so decides, subject, in the case of regular sessions of the commissions, to the approval of the Council and the Assembly (Assembly resolution 40/243, sect. I, para. 4 (f));

(g) That the Council would adopt, on a regular basis, a biennial cycle of meetings that would correspond to the programme budget cycle, for better administrative control (Council decision 281 (LXIII), para. (b));

(h) That the regular sessions of the functional commissions and standing committees of the Council should normally have a duration of not more than eight working days; and, once the calendar of meetings has been adopted by the Council, no additional meetings involving departures from the biennial cycle of meetings would be authorized during the biennium (Council decision 1979/81, paras. (b) to (d), and Assembly resolution 34/50) and that the waiver to the headquarters rule contained in Assembly resolution 40/243 would be discontinued in the case of the functional commissions (Assembly resolution 49/221 A);

(i) That the meetings of the high-level political forum on sustainable development under the auspices of the Assembly would be convened every four years by the President of the Assembly for a period of two days, at the beginning of the session of the Assembly, as well as on other occasions, on an exceptional basis, upon a decision by the Assembly; and that the meetings of the forum under the *auspices of the Council would be convened annually by the President of the Council*

for a period of eight days, including a three-day ministerial segment to be held in the framework of the substantive session of the Council, building on and subsequently replacing the annual ministerial review as from 2016 (Assembly resolution 67/290);

(j) That the next high-level political forum under the auspices of the Assembly would be held in 2019, with the cycle of meetings thus reset, in order to maximize coherence with the quadrennial comprehensive policy review process (Assembly resolution 70/1, para. 87);

(k) That the High-Level Dialogue on Financing for Development of the Assembly would be held back-to-back with the high-level political forum under the auspices of the Assembly when the forum is convened every four years (Assembly resolution 69/313, annex, para. 132);

(l) That the frequency of meetings of the Committee of Experts on International Cooperation in Tax Matters would increase to two sessions per year, with a duration of four working days each, in order to strengthen its effectiveness and operational capacity (ibid., para. 29);

(m) That a multi-stakeholder forum on science, technology and innovation for the sustainable development goals would be convened once a year by the President of the Economic and Social Council before the meetings of the high-level political forum on sustainable development under the auspices of the Council for a period of two days to discuss science, technology and innovation cooperation around thematic areas for the implementation of the sustainable development goals, congregating all relevant stakeholders to actively contribute in their area of expertise (ibid., para. 123);

(n) That the biennial Development Cooperation Forum would be convened prior to the high-level political forum, and that the Council was invited to consider timing its engagement with various intergovernmental bodies in order to support their contribution to the high-level political forum (Assembly resolution 70/299, para. 17). It is the understanding of the Secretariat that the Development Cooperation Forum will require two meetings each day, one in the morning and one in the afternoon, for a duration of two days, with conference resources to be provided from those allocated to the high-level segment of the Council session;

(o) That the Council would strengthen the international arrangement on forests and extend it to 2030, and that the Forum on Forests would hold its annual sessions for a period of five days (Council resolution 2015/33, paras. 1 (a) and 6 (c));

(p) That the intergovernmental conference to adopt a global compact for safe, orderly and regular migration would be held at United Nations Headquarters in New York immediately prior to the opening of the general debate of the seventy-third session of the General Assembly, unless otherwise agreed; would be held at the highest possible political level, including Heads of State or Government; would result in an intergovernmentally negotiated and agreed outcome, entitled "Global compact for safe, orderly and regular migration", the scope of which is defined in annex II to Assembly resolution 71/1; and would also result in summaries of the plenary meetings and other deliberations of the conference, to be included in the report of the conference (Assembly resolution 71/280, para. 1).

2. The Committee on Conferences, at its 154th meeting, decided that requests for intersessional departures from the calendar of conferences should only be submitted to the Committee for its consideration if accompanied by a presentation of detailed substantive arguments supporting a proposed change in or an addition to the calendar. The Committee also decided to request the Secretariat to inform the Committee, as far in advance as possible, of the need for a postponement of sessions

of United Nations bodies, together with a presentation of the substantive reasons necessitating a delay.

3. In its decision 1992/214, the Council decided to grant authority to its Bureau to approve intersessional departures from its approved calendar of conferences and meetings in respect of its subsidiary bodies when the Council was not in session and after consultation with the Committee on Conferences.

4. In its decision 1988/103, the Council decided to invite the Committee on Conferences to review the provisional biennial calendar of conferences and meetings of the Council in the economic, social and related fields, beginning with the calendar for 1990-1991, and submit, as appropriate, its recommendations thereon to the Council. The Committee on Conferences is scheduled to meet on 29 June 2017 to review the Council's provisional calendar of conferences and meetings for 2018 and 2019 and may submit recommendations to the Council at its coordination and management meeting to be held on 6 July 2017.

5. In paragraph 2 (f) (ii) of its resolution 1988/77, the Council decided to further consider the biennialization of the sessions of its subsidiary bodies. The subsidiary bodies of the Council that meet biennially are the Economic Commission for Latin America and the Caribbean, the Economic and Social Commission for Western Asia, the Economic Commission for Europe, the United Nations Group of Experts on Geographical Names, the Committee of Experts on the Transport of Dangerous Goods and on the Globally Harmonized System of Classification and Labelling of Chemicals, the High-level Committee on South-South Cooperation, the United Nations Convention to Combat Desertification in Those Countries Experiencing Serious Drought and/or Desertification, Particularly in Africa, the United Nations Environment Assembly of the United Nations Environment Programme (UNEP), the open-ended Committee of Permanent Representatives of UNEP, the Meeting of Heads of National Drug Law Enforcement Agencies, Europe, of the Commission on Narcotic Drugs and the Governing Council of the United Nations Human Settlements Programme.

6. The Council may wish to consider further the question of the biennialization of its subsidiary bodies in the context of its review of the mandates, composition, functions and working methods of its functional commissions and expert groups and bodies (see Council resolution 1996/41 and Assembly resolution 50/227).

7. In response to paragraph 16 of section II of General Assembly resolution 66/233, in which the Assembly requested the Secretary-General to highlight any duplications and redundancies in conference servicing with a view to identifying innovative ideas, potential synergies and other cost-saving measures, the Secretariat made a proposal (see A/67/127, paras. 13-15), which briefly described the mandates of the Council and the Committee on Conferences to review the provisional biennial calendar of meetings in the economic, social and related fields in odd-numbered years and examined the duplication and redundancy of preparing and issuing two almost identical draft calendars within a short period of time.

8. In that regard, the General Assembly, in paragraph 9 of its resolution 71/262, reaffirmed the need to address the issue of duplications and redundancies in conference servicing and noted that the Council had decided, in its resolution 2013/13, to consider at a later date the necessity of reviewing its provisional biennial calendar of conferences and meetings in the light of the ongoing intergovernmental consultations on the further strengthening of the Council.

9. The Secretariat wishes to bring to the attention of the Council the information contained in paragraphs 7 and 8 above when the Council considers the item on the provisional biennial calendar of conferences and meetings in the economic, social

and related fields at its coordination and management meeting in July, with the aim of obtaining the Council's views on the matter. On the basis of its current mandate and practice, any observations or recommendations made by the Committee on Conferences when it meets on 29 June 2017 to review the provisional calendar will be transmitted by the Chair of the Committee to the President of the Council.

10. In the preparation of the provisional calendar, due regard has been taken of General Assembly resolution 53/208, in particular paragraph 11, and paragraphs 5 to 9 of Assembly resolution 69/250, in which it was decided that United Nations bodies should be invited to avoid holding meetings on Orthodox Good Friday, Yom Kippur, the Day of Vesak, Diwali, Gurpurab and Orthodox Christmas and that these arrangements should be taken into account when drafting future calendars and meetings. During the biennium 2018-2019, these days occur on the dates set out in the table below, pending final confirmation from the Office of Human Resources Management of the Secretariat.

[g] In accordance with paragraph (h) of decision 19/32 of the Governing Council of UNEP, the Committee of Permanent Representatives shall consist of the representatives of all States Members of the United Nations and members of the specialized agencies, and the European Union, accredited to UNEP, whether based in Nairobi or elsewhere.

Accordingly, in the absence of modalities for the conference, it is not possible at present to estimate the potential cost implications of the requirements for meetings and documentation. Upon the decision of the General Assembly on the modalities, format and organization of the conference, the Secretary-General would submit the relevant costs of such requirements in accordance with rule 153 of the rules of procedure of the Assembly.
